

## MUSIC REVIEWS + FAVE QUOTES

“A real diamond in the rough....a recording contract waiting to happen” - Virgil Wright, Indieshark

“From the womb musical warriors” - Featured Artist - 24Our Magazine

“highly original, uplifting and dare I say brilliantly catchy in scope” Tammy Tarborough, All  
What’s Rock

“Brilliant artistic vision from an amazing singer and subsequent musical visionary that’s  
deserving of far wider recognition than this review. I’ve never heard an artist so skillfully  
combine so many styles of music.” Natalie Webb, Indie Artists Alliance

“a real breath of fresh air and a shock to the everyday musical system presently in place”  
- Leroy Campbell, Skope

“A musical triple threat ...deserving praise, recognition and musical fame at  
the international level.” - Clarence Young, Jr, Gigband

“elite singing and songwriting ability...a powerful straight from the heart  
feel” - Michael Morrison, Music Emissions

“Finken brings back some of what I miss from 1966: popular music that  
isn’t just calculated, forgettable radio fodder” - Kent Williams, Little Village  
Magazine

“Packed with beauty, power and emotion - the music is inventive” - Ted Rogan, No More Division

“The world is ready for Bonne. The stage is yours.” - Kaj Roth, Palace of Rock

“It’s evident to me Finken’s talents are far beyond what I imagined or even  
expected....a musical force to be reckoned” - RJ Frometa, Vents Magazine

“A beautiful spitfire in Finken, BONNE projects a girl-power vibe that seems  
unintentional, a feat for which many strive for and fail” – Mary Buck, Des  
Moines Music Coalition

“Bonne succeeds where lesser musical minds fail because the myriad of  
influences at work here seem more personal, ingrained, part of the package  
from the start rather than the sprinkles on a pop-popsicle.” - Dave Franklin,  
Dancing About Architecture

“Iowa might not have the same amount of famous artists like  
California..even though there are some well known names from Iowa like swing bandleader  
Glenn Miller and metal Gods Slipknot...we will need to add the supertalented BONNE to that  
list” - Raj Koth, Palace of Rock
